Dear Friends of Iron Gate —

As we see the first glimpses of spring, it is hard to believe we were at subzero temperatures just a few weeks ago. Iron Gate immediately activated and reached out to our partners to see how we could help. First, we formulated a plan to make sure that our on-site guests were fed and that we had a delivery plan and a back-up plan for the guests at the temporary shelter. Then, as agencies began to mobilize to get people off the streets and into hotel rooms, Iron Gate stepped forward. During the cold snap, social service agencies pulled together and were able to house 415 people in 12 hotels across Tulsa. Over the 10-day period, Iron Gate provided 1,738 bags of food—filled with peanut butter, tuna, oatmeal, fruit, bread, granola bars, frozen meals and deli items that could easily be stored and cooked in hotel rooms. Iron Gate is providing breakfast and a hot lunch for these guests at the hotel every day. We are proud of the role we have been able to play. Iron Gate has been able to say YES this year when there has been a call for help. The reason we can do that is YOU!

The pandemic has taken many things from us over the past year, but it has also given us many opportunities. Iron Gate has been able to strengthen and grow its partnerships with fellow social service agencies. The drive-thru pantry has given me the opportunity to spend a few minutes talking with our guests and listening to their stories. Sometimes they talk about their struggles and sometimes we talk about the weather. There are a pair of older gentlemen, veterans, as showcased proudly on their ball caps and jackets, that carpool to pantry, who have captured my heart. Last month, there was no passenger. I asked the driver where his friend was. The driver said, he's at home, not feeling too good—he needs some encouragement and he asked if I would call him. I did call. When I said I was calling from Iron Gate, you could hear the spark in his voice. I let him know he was missed, that his friend picked up his groceries and that I hoped to see him next month. He couldn't believe someone had taken the time to call and check on him. This is what Iron Gate means – it's more than a plate of food or a bag of groceries. It's human connection. I am always energized by these conversations of hope and grace. Thank you for donating to Iron Gate – every gift makes a difference and allows us to feed people. Your gifts foster nutrition and connection. In the following pages, you will see the impact your giving had over the past year. It is truly incredible! As we see the light at the end of the pandemic tunnel, Iron Gate continues to innovate on how best to feed our guests and provide groceries. EVERYDAY, we continue to feed the hungry and homeless of Tulsa, it just looks different than it has in the past. Iron Gate is still serving our daily community meal to-go style. We continue to deliver lunch and dinner to the temporary shelter. We're proud to be there for those who need us and so grateful to all of you who make it possible. The future looks bright and we are ready to serve.

Take to time to enjoy the sunshine,

Carrie with little Claudette, who packed "Blessing Bags" for the hungry and homeless of Tulsa, which included snacks, water and sanitizing wipes.

IRON GATE STEPS UP

It's one of the good things to come out of Coronavirus pandemic: Iron Gate's partnerships with other nonprofits and social service agencies are stronger than ever. The impact of those relationships was on full display, when a winter storm gripped Tulsa in mid-February.

The bitterly cold temperatures and the double whammy of winter weather were hard on everyone. But it was particularly tough for those who didn't have a roof over their heads or the means to keep their pantry stocked. When the temperatures dropped, Iron Gate stepped up to meet the needs of our neighbors living on the streets. Thanks to the support of our donors, we could mobilize quickly to aid our partners in providing food to make sure those experiencing homelessness weren't just warm, but fed.

When Housing Solutions started getting people off the streets and into hotels, Iron Gate provided the food to make that possible. Iron Gate already had a relationship with the organization, so they knew they could rely on us to pull together food quickly. Within a couple of hours of their request, we had 70 grocery bags ready to go. Because we supplied and organized the food, Housing Solutions could focus their energy on getting people off the streets. Over the course of the storm, Iron Gate ended up providing 1,738 bags of groceries to those who were placed in hotels to escape the winter weather. This

partnership insured more than 415 people were housed during this weather event. The connections Housing Solutions forged in this storm will help lead to long-term solutions for those experiencing homelessness. They're working with people to make sure they don't have to go back to the streets. Your support means those staying in hotels don't have to worry about food. And Housing Solutions can focus on finding housing solutions instead of feeding people.

Beyond providing groceries, Iron Gate made sure we provided hot meals in the bitter cold. Iron Gate was committed to feeding through the storm. Our staff stayed in nearby hotels to make sure the kitchen could open, despite the ice and snow. Not only did we serve 2,865 meals in less than a week from Iron Gate, but we also continued to deliver meals to the overflow shelter run by the City of Tulsa and our partners at the Mental Health Association. Iron Gate staff delivered more than 1,800 meals and hundreds of snacks over the course of the week to ensure shelter residents had plenty to eat.

When a water line broke at a Tulsa Housing Authority complex, Iron Gate was there to provide groceries for the displaced senior citizens. THA got them into hotel rooms. Iron Gate stocked them with meals and snacks to ride out the storm. It was another example of how powerful partnerships are in taking care of the most vulnerable in our community.

YEAR IN REVIEW

2020 was an extraordinary year. Iron Gate saw an unprecedented surge in demand for food. And thanks to your support we could meet that demand. Even in times of global crisis, you make it possible for us to feed the hungry and homeless of Tulsa every day. This is a snapshot of the impact you had on the lives of those who are struggling with food insecurity in our community.

FOUNDERS

CELEBRATING GENEROSITY

A SIMPLE ACT OF GENEROSITY CAN INDEED CHANGE THE WORLD. AT IRON GATE, IT'S NOT JUST A PLATITUDE. IT'S OUR ORIGIN STORY.

It was a simple act of generosity that started our mission to feed the hungry and homeless of Tulsa every day. Three men, Keenan Barnard, Gene Buzzard and Rev. John Powers stepped out of their bible study class to feed a homeless man a sandwich. That simple act launched an organization that now provides more than a quarter of a million meals annually. These three men helped change the prevalence of hunger in our community.

In 2020, Iron Gate lost one of our beloved founders, Gene Buzzard. Normally, we would celebrate his life, his legacy, and the spirit of the Founders at a party in the spring. That can't happen this year. But we can still honor all of our founders by embracing their spirit of generosity.

IN HONOR OF OUR FOUNDERS' VISION, LET'S CELEBRATE GENEROSITY THIS SPRING.

Donate in honor
of someone who
inspires you.

Spur your own
acts of generosity
by challenging
your loved ones
to match your
donations.

And help fulfill Iron
Gate's Founder's
promise of feeding
the hungry
and homeless
every day.

These little ones with big hearts have touched so many lives. Six-year-old Trinity (left) used her piggy bank savings to buy groceries for those in need. And little Clara (right) bought kid's packs, so kids like her could have a snack.

2020 TRIBUTES

Iron Gate would like to pay tribute to all of our supporters who had someone donate in their names. We are humbled by families who remembered Iron Gate's mission through their grief. We are also honored that so many were inspired to give in your names.

"I DON'T THINK ANY OF US HAD ANY NOTION THAT A SIMPLE STREET-FEEDING PROGRAM WOULD DEVELOP INTO A PROGRAM AS SIGNIFICANT AND BEAUTIFUL AS IRON GATE. BUT I AM THANKFUL THAT IT DID."

Gene Buzzard (1946-2020) helped start Iron Gate in 1978. Without his vision, dedication, and unwavering support, Iron Gate wouldn't be what it is today. It was his random act of kindness that led to this organization that feeds hundreds of people every day. His giving heart will live on through the organization he nurtured for more than forty years. Friends of Gene have donated almost \$20,000 in his memory, insuring Gene's legacy will live on and hundreds of people will be fed.

When Southminster Presbyterian Church suspended in-person service, their congregation still was moved to served. Feed me Fridays was born. Every week, the congregation came together to collect food for Iron Gate. They called on members, neighbors, and the broader community to join in their ministry to feed the hungry. What initially started as a month-long drive has stretched into a weekly affair. Southminster collected 4,424 pounds of food in 2020.

2020 VOLUNTEERS

Thank you to all of our volunteers who served, sacked, and sorted to help us feed the hungry and homeless of Tulsa. The following volunteers donated their time between November 14, 2019 and March 26, 2020, when we suspended the program due to the Coronavirus pandemic. We have continued serving without your helping hands, but know that you are missed.

Iron Gate is an Explorer Pipeline Partner Agency. Not only did the company make a three-year financial commitment to feeding the hungry and volunteer to serve, but employees also participate in food drives to make sure those in need are fed.
